23 - 27 Sep 2018, Dubai

09 - 13 Dec 2018, Dubai

BUILDING PERSONAL LEADERSHIP SKILLS

Creating Stronger Relationships for a Stronger Organisation

INTRODUCTION

This GLOMACS Building Personal Leadership Skills training course will provide the essential keys to becoming a great professional leader in modern business. Here you will learn how to lead your team effectively and to motivate them to achieve the stronger relationships you need to build a stronger organisation.

This 5-day GLOMACS training seminar will enable participants to become the professional leader who can inspire, motivate and achieve.

This GLOMACS training course will highlight:

- The Essential Keys to Successful Leadership in Business
- How to build a successful team which achieves required results
- How to create a learning environment at work where team members can grow and develop new skills
- How to stay on course whilst constantly refocusing your group's or your department's goals
- How to become a leader who can innovate and add value to your organisation, your customers and your stakeholders

OBJECTIVES

By the end of this training seminar, you will be able to:

- Become a visionary, innovative and successful team leader
- Use a leadership style that works effectively with different situations
- Inspire your team to greater motivation, knowledge and skills
- Identify opportunities for strategic alliances with colleagues
- Become a successful communicator, coach and mentor

WHO SHOULD ATTEND?

This GLOMACS Building Personal Leadership Skills training course training seminar is designed to develop essential leadership skills, enabling the transition from a good to a great professional leader.

It is designed both for experienced managers wanting to develop further specific leadership skills and for all managers looking to acquire the essential techniques to lead a busy working team.

It will enable managers to:

- Add value to their organisation, its customers and stakeholders
- Achieve outstanding business results
- Develop their confidence in leadership
- Increase the motivation of team members
- Be able to work successfully across team boundaries

TRAINING METHODOLOGY

Participants at this GLOMACS Building Personal Leadership Skills training seminar will receive a thorough training in the subjects covered in the training seminar outline, with the instructor using a variety of proven adult learning, teaching and facilitating techniques.

- Seminar methodology includes group discussions, practical exercises, personal profiling and case studies
- Material is presented in a relaxed style to achieve maximum participation
- The focus throughout is on sharing practical ideas to create stronger business relationships and a stronger organisation

ORGANISATIONAL IMPACT

The GLOMACS training seminar will focus on the development of successful leaders who are able to add value to the organisation in which they work. This will include:

- Techniques for achieving successful leadership in the workplace
- Clear communication of business objectives
- Alignment of team members' behaviour to meet organisational goals
- Ability to move a department or unit forward by achieving business goals
- Development of the abilities of team members
- Motivation of team members to achieve ongoing business success

PERSONAL IMPACT

Participants will develop the personal skills to be an effective leader of a work group. These include:

- Ability to use a range of leadership skills to motivate others
- Increased confidence and awareness of own strengths
- Ability to develop team members and their motivation
- Ability to increase the personal contribution of team members
- Development of personal communication skills
- Ability to work successfully with wide range of stakeholders and customers
